

SIL Mutual Fund

Newsletter

July 2026

Hi <first name>,

Welcome from the Chair

It's my pleasure to welcome you to the inaugural edition of our quarterly newsletter. This short, easy-to-read update will keep you informed about the Scheme, our investments, and the tools available to help you manage your SIL account. Each edition will include market news and returns, practical guides and resources, and timely articles on matters that may affect your investment or support your retirement planning.

Thank you for being a valued member. We welcome your feedback — if there's a topic you'd like covered in a future edition or if you have any questions, please contact our Helpline team on 0800 405 845.

Regards,

Dr Edward Schuck
Chairman

SIL Mutual Fund

What's included in this edition:

- Insights on market volatility
- Tools to plan, save and grow your investment
- How to use the member booklet and website guide
- Communications: what to expect and how to change your preferences

Market update

for May 2026

Investor sentiment improved in May, as the markets were shaped by a mix of easing geopolitical concerns, resilient global equity performance, and growing expectations that interest rates may need to remain higher for longer.

Riding the waves of market volatility

It's normal to feel uneasy when you hear about geopolitical unrest and see your retirement balance fluctuate. Remember, market ups and downs — or 'volatility' — are a regular part of investing.

We caution against making impulsive decisions based on media headlines. If you are concerned about the current market fluctuations, we recommend talking to a financial adviser before making decisions that may impact the long-term potential of your retirement savings. If you have any questions, call the Helpline team on 0800 405 845.

Make the most of your money — tools to plan, save and grow

Planning your financial future doesn't have to be overwhelming. The right tools can turn uncertainty into a clear plan — whether you're paying down debt, saving for a home, or mapping out retirement income. Below are practical, easy-to-use resources available to help you make better financial decisions today and build confidence for tomorrow.

Retirement Income Simulator

This Mercer tool lets you explore how different decisions could affect your retirement income. You can test scenarios such as changing your contribution rate, adjusting your investment choice, or retiring earlier or later, and see the impact on your projected retirement income. To access this tool, log in to your online account, click the menu icon in the top right, select 'Tools', then 'Launch Calculator' under 'Retirement Income Simulator'.

Sorted tools

Budgeting tool: Get a clear snapshot of income and expenses, spot spending leaks, and set realistic limits. Use it to automate savings and track progress.

Get to know your SIL member booklet and website guide

Making the most of your membership is easier when you know where to look. Our member booklet and online guide explain the Scheme, how your money is invested, withdrawal options, and the digital tools that help you manage your account — all in plain language. Both resources are available on the website.

Member booklet

- **What it covers:** A concise reference on the Scheme — Trustee Board, fund details, contributions, withdrawal options (including early withdrawal), tax, financial advice, updating your details, and complaints.
- **Why read it:** A single source for the rules and practical steps you'll need when making contributions, checking your investment, requesting a withdrawal, or seeking help.

Website guide

- **What it covers:** A practical walkthrough of the online experience — logging in, using the dashboard, checking account activity and balance, viewing current investments, and updating personal details.
- **Why use it:** Ideal for anyone who prefers to manage their account online or on mobile. The guide makes navigation straightforward so you can quickly find the information or actions you need.
